# International Conference on Computing, Communication and Security(ICCCS-2022)

<https://www.iiit-bh.ac.in/conferenc...>

## About the Conference:

IEEE International Conference on Computing, Communication and Security (ICCCS-2022) is a premier conference in the computer, communication and signal processing fields. ICCC 2022 is to be held at International Institute of Information Technology, Bhubaneswar, India during Nov 04 - 07, 2022. The conference venue is near to NALCO. The conference aims of bringing together researchers and practitioners working on computing, communications and security aspects and providing a forum to present and discuss emerging ideas and trends in this highly challenging research field. The several pioneer researchers including IEEE Fellow and industrialist persons will be present for delivering the future trend of research directions. All the accepted and presented papers will be submitted for inclusion at IEEEExplore® Digital Library.

- Cognitive radio

- Cooperative Communications
- Distributed MIMO and Relaying
- Machine-to-machine communications
- Energy harvesting
- Machine learning for 5G communications
- Wireless Sensor Networks
- Mobile and Wireless Communication
- Vehicular Communication Networks
- 4G/5G Network Evolutions
- Security and privacy in mobile ad hoc
- Optical communications
- RF and microwave communications
- Green Communications
- Networking
- Signal processing
- i ■ Image and video processing

<https://www.iiit-bh.ac.in/conferences>

- Circuits, Reliability, and Fault Tolerance,
- Computer-Aided Design and Verification,
- Digital Circuits and FPGA based Designs,
- Emerging and Post-CMOS Technologies,
- System Design and Security,
- VLSI for Applied and Future Computing

## Paper Submission Guidelines:

All papers must be submitted electronically through the conference submission website <https://forms.gle/zpXCPF1WpniZbL2fA> in PDF format. The materials presented in the papers should not be published or under submission elsewhere. Each paper is limited to 6 pages (or 8 pages with an over-length charge) including figures and references.

Once accepted, the paper will be included in the conference proceedings. At least one of the authors of any accepted paper is requested to register the paper at the conference. For more details check the [brochure](#).
